

Dear Author,

Congratulations on the selection of your work to be displayed as an ePoster at the 2018 ISHA Annual Scientific Meeting, which will be held at the Melbourne Convention and Exhibition Centre in Melbourne, Australia from October 4-6, 2018.

Once you have registered attend the conference via the [conference website](#), we ask that you submit your work electronically in using one of the templates provided, to ensure it is formatted for viewing via ePoster touchscreens, smart phones and tablets at the conference and after the event.

Standard ePosters include text and graphics. It is possible to embed a video into your poster, but this should be agreed and approved in advance of submission with the ISHA Scientific Program Office in advance of submission, email contact info@ishaconference.com. **The deadline to submit your poster is September 17, 2018.**

The preferred format to send us your landscape file is PPT or PDF with a 4/3 or 16/9 ratio. Enclosed you can find [two templates](#) with the upload guidelines.

Informal Discussion Presentations

Pre-scheduled Oral ePoster presentations are not planned. Instead, your name and email address will be included within the conference mobile app, and delegates will be invited to make direct contact with you via the app to schedule an informal meet-up, at a time of your mutual convenience, to discuss your poster. You do not need to prepare any additional slides or materials for these 'Meet-ups'.

If you do not wish to participate in the 'Meet-ups', and don't want your email address included in the app, please notify the ISHA office at info@ishaconference.com.

Upload Guidelines

To upload your poster file:
