General Information

Registration

Please register online from 1 March 2020. Reduced rates are available when payment is effected before 20 July 2020.

The registration fees will include:

Attendance at scientific sessions · interactive course lectures · lunchtime workshops · access to the technical exhibits · delegate badge · digital materials · refreshment breaks · lunches on 2 days · Welcome Reception.

Accommodation

Special rates have been negotiated for attendees at the Westin, Novotel and Andaz Hotels. Booking information is available via the ISHA 2020 website.

Networking Programme

The ISHA 2020 Networking Programme will include a Welcome Reception and Gala Evening (additional charge).

Exhibition and Sponsorship

ISHA 2020 is the ideal forum for companies involved in hip arthroscopy and hip preservation surgery to present your company and latest products to international experts. An industry exhibition will take place and there are opportunities for industry-led lunch-time workshops. Interested companies may contact the ISHA conference Office
E: info@ishaconference.com for further exhibit and sponsoring information.

CME Accreditation

ISHA 2020 will be submitted for accreditation and more information will be shown on the conference website in due course. www.ishaconference.com

Programme Topics

The main programme topics for ISHA 2020 will include:

1. FAI (intra-articular and extra-articular)
2. Instability (dysplasia)
3. Labrum (repair, biology, biomechanics)
4. Hyaline cartilage (repair, biology, biomechanics)
5. Capsule (repair, biology, biomechanics)
6. Arthroplasty in young and after preservation
7. Extra-articular conditions
8. Rehabilitation
9. Hip-spine interplay/conditions
10. Treatment complications
11. Outcome measures
12. Osteonecrosis and biologics

Scientific Information

Abstract Submission

ISHA 2020 welcomes submission of abstracts for original contribution to the field of hip arthroscopy and hip preservation surgery.

ISHA 2020 Awards

ISHA Trainee Awards

Two trainee awards are being offered at the 2020 ISHA Annual Scientific Meeting in Ottawa - the ISHA Trainee Basic Research Award and the Richard Villar Trainee Excellence in Clinical Research Award.

ISHA Physiotherapist Award

Applicants should be qualified physiotherapists. Submissions are limited to one submission per applicant.

Further information on qualifying criteria and application process can be found at www.ishaconference.com from January 2020.
